

# River Park Gardens Newsletter

Dear Residents and Families,

January 2nd, 2024

Happy New Year! We have had a festive holiday season here at RPG. This newsletter features photos from the Holiday Tea's that many of you got to enjoy with your loved ones, cookie decorating, a wine and cheese night and a winter craft. A big thank you to the recreation team and volunteers for the lovely lights, trees, and decorations around the building that we have all got to enjoy in December.

Thank you for your generous donations to the Christmas Hamper that we did together, the family we dropped it off for was very grateful for the food and presents.

Wishing you all a wonderful 2024 ahead!

Since August 2023 we have been doing daily Safety Huddles on the first and second floors. The purpose of the Daily Safety Huddle is to create a safe environment for our residents and team, and to make and monitor goals that are important to our team.

Residents and visitors are welcome to join staff for our Safety Huddles. Our Safety Huddles happen most days at 7:15am and 3:15pm.

This picture shows staff gathered around the safety huddle board.
