

### Definition/Description:

Sources for inventory of Current WRHA Programs. This indicator measures the status of health program inventory.

### Source:

Director, Communication and Public Relations, Winnipeg Regional Health Authority

### Findings/Highlights:

- Information on services and programs is available on the WRHA web site, using 'Encompass' (described above).
- WRH residents can obtain information on services and programs funded by the following:
  - WRHA using *Encompass*,
  - by telephone from the WRHA directly
  - through *Healthlinks*
  - by referring to publications available through service provider offices.
- The 2004 Winnipeg Telephone directory includes a detailed listing of health services in Winnipeg.
