

Definition/Description:

Participation of WHR staff in Community Events

Source:

Human Resources Planning Assistant, Winnipeg Regional Health Authority
WRHA Volunteer Organizer

Findings/Highlights:

- Rather than address this issue through establishment of formal policy, the WRHA has chosen to demonstrate support for staff participation in community events on a situational basis.
- Examples of community events which the WRHA has supported and encouraged staff involvement include the United Way, donations towards Christmas Hampers, Dragon Boat Races for Canadian Cancer Society, Blood Donor Clinic, the Winnipeg Commuter Challenge, 'Big Bike Race' in support of the Hearth and Stroke Foundation, and the Manitoba Marathon.
