

Definition/Description:

Volunteer activity (volunteers and hours) at defined WHR facilities/programs.

Source:

Manager, Volunteer Services, Winnipeg Regional Health Authority

Findings/Highlights:

- In 2003/04, 4442 volunteers contributed 356,681 hours in the WHR areas including patient/resident care, fundraising and general support services.
- This data reflects volunteer activity at Health Sciences Centre, St. Boniface General Hospital, Deer Lodge Centre, Riverview Health Centre, Seven Oaks General Hospital, Concordia Hospital, Grace General Hospital, and CancerCare Manitoba.
- A Volunteer Services program was established in November 2003 for WRHAs Community Health and Corporate Programs. Their contribution is reflected in the totals above.
