

Definition/Description:

WRHA Support of Staff Management and Leadership Training Initiatives.

Source:

Employee Relations Director, Winnipeg Regional Health Authority
Human Resources Officer, Winnipeg Regional Health Authority

Findings/Highlights:

- The WRHA subsidizes the Health Services Management Certification program for approved staff.
- The WRHA Management and Leadership Development Program offers a variety of workshops to all staff at no charge.
- Other courses/workshops are available with participation determined by supervisors dependent on applicability and budget.
