

Definition/Description:

Summary of New Construction in WHR

Source:

Regional Director, Capital Planning and Construction, Winnipeg Regional Health Authority

Findings/Highlights:

- The Winnipeg Regional Health Authority has approximately \$200 million in construction projects currently in some stage of construction or development. This includes:
 - Regional laundry facility
 - MRI capacity at Pan Am Clinic
 - Major redevelopment at Health Sciences Centre
 - 2 Personal Care Homes (Aboriginal PCH and Faith Gardens)
- Additional projects may be approved in the upcoming fiscal year (2004/05).
