*This Group Learning program has been certified by the
College of Family Physicians of Canada and the Manitoba Chapter for 1 Mainpro+ credit*

Featuring Guest Speaker:

Bernard Cox MD, CCFP (PC)

*Physician / Consultant
WRHA Palliative Care Program*

Palliative Care in Kidney Disease

Chronic kidney disease and end stage renal disease are prevalent in Canada, with patients with end stage renal disease often having high symptom needs. Despite this, this patient population is often underrepresented in palliative care. This presentation focuses on the specifics of providing palliative care to patients with kidney disease.

DATE: *Wednesday, January 28, 2026*

TIME: *12:00 p.m. to 1:00 p.m.*
