*This Group Learning program has been certified by the
College of Family Physicians of Canada and the Manitoba Chapter for 1 Mainpro+ credit*

Featuring Guest Speaker:
Michael Volpe, CCFP(PC)
*Physician / Consultant
WRHA Palliative Care Program*

Climate Change and Healthcare

Climate change is a global emergency. Healthcare currently contributes a significant amount to climate change. Understanding the current state of climate change and how healthcare contributes to it will help us implement strategies to reduce carbon emissions and provide better health for our population. As Palliative Care Providers, we have a social responsibility to reduce our carbon footprint.

DATE: Wednesday, March 6, 2024

TIME: 12:00 p.m. to 1:00 p.m.
