

WRHA Partnerships

Purpose of this listing of the organizations and networks that Winnipeg Regional Health Authority (WRHA) community and program teams have on-going relationships with is to:

1. To enable further WRHA community development and public engagement activities.
2. To inform staff and WRHA stakeholders about the broad range and extent of partnerships currently in place within WRHA programs and services.
3. To provide staff with contact information that can enable further development of partnership and collaborative efforts.
4. To provide the WRHA Local Health Involvement Groups, program advisory councils/committees, and the general public with contact information which may enable further community consultation and representation.
