4.0 Business Arising: Topic for this year of meetings – Unconscious Bias and its Impact on Patient Experience and Health Outcomes

- 4.1 Colleen reviewed key points from first meeting on unconscious bias and introduced the “ice-berg” – what unconscious bias and its impacts look like in a health care system at the inter-personal, organizational, and systemic levels.
- 4.2 LHIG members explored three real case scenarios depicting the experience of unconscious bias. They provided feedback on questions.
- 4.3 Colleen shared next steps for this topic – the LHIGs will be focusing on the organizational and systemic levels at the next meeting.

5.0 Other business:

- 5.1 Question about empty ward on the third floor at Seven Oaks General Hospital. Pat was able to provide an update on what is happening with that ward. As a result of the consolidation – acute medicine, acute surgery, and the intensive care unit was moved to the St Boniface and Grace hospitals. Focus for SOGH is sub-acute and rehabilitation with an urgent care centre. Also – dialysis. Pat wasn’t sure what would happen with the empty ward on the third floor.
- 5.2 LHIG members were asked to share topic ideas for next year.
- 5.3 LHIG members were asked to complete meeting evaluation
- 5.4 Next meeting scheduled for Thursday, January 30, 2020 at 5:30pm at Seven Oaks Health and Social Services 3-1050 Leila Avenue

6.0 Meeting adjourned at 8:00pm
