- Using shades of pink or purple and mauve napkins with white paper dollies (16 for a \$ 1.00 at Dollar Store) as placemats on table.
- Use floral wrapping paper (DollarStore, Target or Michaels) as runner on table. Can also wrapping paper to wrap napkins to match.
- Have had donated many china cups and saucers and have used them as a favors for each to take home or used on table for beverage that day.

Using china cup a saucer randomly place down or use in center of Table on dollies as centerpieces. I have used a wine inverted glass wine glass and glued a clear plastic plate to bottom of glass. On the plate I have placed the favors.

- Favors could be mints in white or pink (Bulk Barn) placed in the little plastic bags (Dollar Store) and finished of with tags and ribbon.
