

November

Remembrance Day / Celebrate Birthday Month

- Because November has Remembrance Day and it can be quite solemn I have in the past celebrated all birthdays for the year in November.
- Use any floral arrangement or cupcakes for centerpieces. Place monthly flags in arrangements and have guests sit at their birthday month table. Have also just wrapped a shoe box containing a small prize and played pass the box around to table while singing Happy Birthday stopping after every Happy Birthday is said and the last person to hold the box when finished singing gets to keep the box.
- Have used wrapping paper and dollies to decorate
- Favors can be face cloth cupcakes, any packaged bulk candy decorated for birthday. Also had the nearest elementary school prepare handmade birthday cards for each guest.
- Use bright colored napkins to accent the tables.
- Serve cupcakes and birthday cake.
- Use specialty paper to advertise monthly events.

The birthday party!
