## THANKSGIVING \*\* HALLOWEEN\*\* OCTBERFEST

- Using napkins of colors for October such as orange, golden yellow, browns, and black for Halloween. Again using wrapping paper for Dollar Store to make placemats or runners. Have also used Dollar Store tablecloths and cut down to make runners. for the table. Using Dollar store stickers and appliqué to decorate colored bands around napkins.
- Have made paper lanterns, used pumpkins, witches hats, purple flowers, anything associated with Halloween for centerpieces for Halloween. For Octoberfest use the mugs and fill with yellow jello as beer and cool whip as foam for Octoberfest. For Thanksgiving have used small baskets full of veggies, pine cones in clear vase with ribbon around to decorate.
- For Halloween favors have used orange napkin covered toilet paper to make a pumpkin, any candy purchased from Bulk Barn put in little plastic bags are decorated with tag or ribbon. For Thanks giving have made paper cones( paper could be the same as runner or placemats) filled with party mix and decorate with matching ribbon or decoration.
